uStream Cube

Compact true wireless stereo

The soundbar replacement at its simplest.

Two compact cabinets, left and right, connected to each other wirelessly. Switch them on and they pair in seconds, with no app and no configuration. A 106mm magnesium alloy driver and 35W RMS of Texas Instruments Class D amplification in each speaker, HDMI ARC for the television and a 3.5mm input for everything else. The uStream Cube is where the range starts.
