uStream Three

Flagship · Three-way true wireless stereo

The flagship. Three drivers, three amplifiers, one pair.

The uStream Three is the top of the range: a 76mm silk tweeter, a 120mm ceramic aluminium mid-range and a 165mm ceramic aluminium woofer in each cabinet, each driver on its own Texas Instruments amplifier. 240W RMS across the pair, HDMI ARC and optical inputs for the television, and no cable between left and right. It is the speaker you set up once for the largest room in the house.

240W	3-way	30Hz	BT 5.3
RMS POWER	TRI-WIRED DRIVERS	FREQUENCY RESPONSE	TRUE WIRELESS
